

MORAGA ROAD SAFETY IMPROVEMENTS

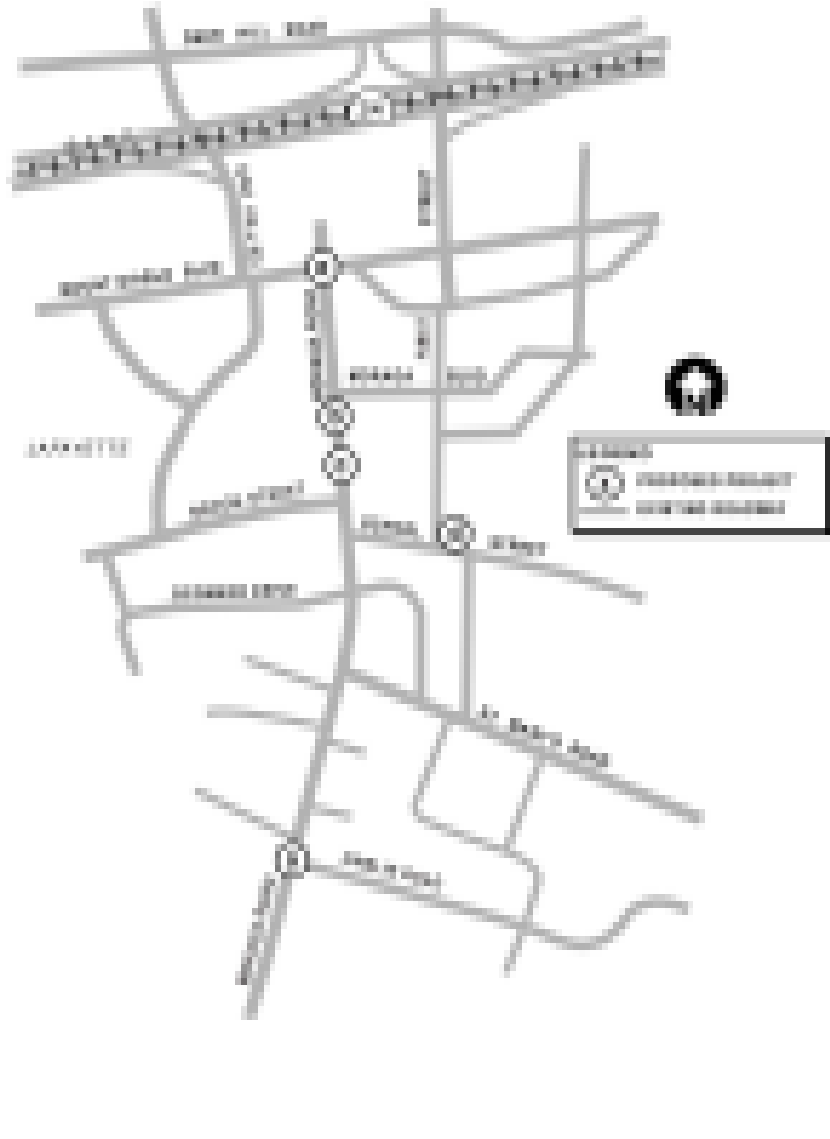

**PROPONENTS:
LAFAYETTE**

**PROJECT NO:
1600**

DESCRIPTION:

Moraga Road Safety Improvements is a series of small projects which will focus on specific safety improvements on Moraga Road in Lafayette. These improvements include:

- a. Crosswalk warning system at Hamlin Road/Tanglewood
- b. Removal of three mid-block crosswalks
- c. Removal of bike lane designation from Moraga Road
- d. Designation of new bike routes on School Street, First Street and Brook Street
- e. Adding a five-section signal head at the intersection with Mt. Diablo Boulevard
- f. A "safe route to school" plan

STATUS:

Items (b), (c), and (e) above are complete. Items (a), and (f) are currently under construction. Item (d) will be completed in 2005 the Lafayette City wide Bike Plan.

FUNDING SOURCES (\$ X 1000):

Measure C (Esc.\$) ¹	<u>11.5</u>
TOTAL	\$ 11.5

¹ Measure C funds shown in escalated dollars. Actual commitment is in 1988 dollars as shown in Appendix A.
