

WALNUT CREEK CHANNEL TO CONTRA COSTA SHORELINE TRAIL

**PROPONENT:
EAST BAY
REGIONAL PARK
DISTRICT (EBRPD)**

**PROJECT NO:
3102**

DESCRIPTION:

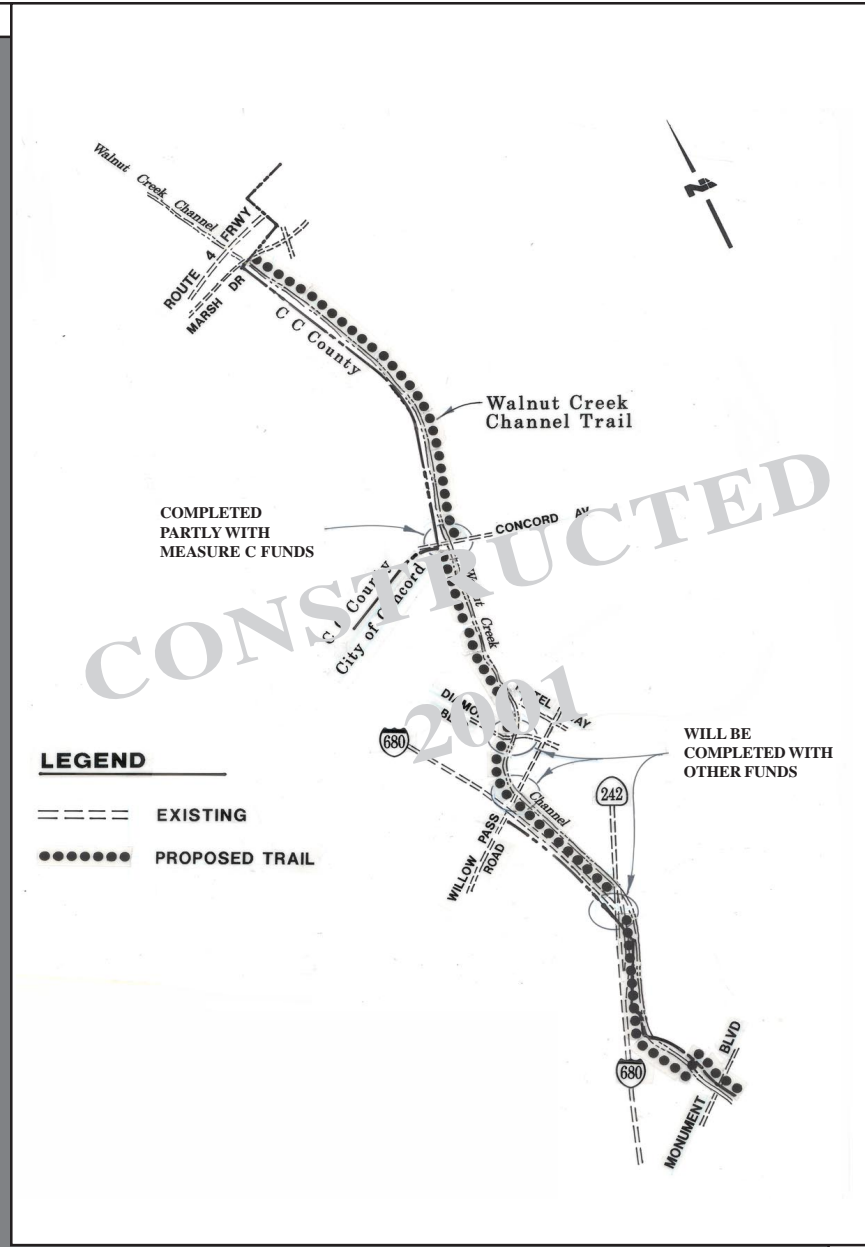

This trail starts at the northern terminus of the Iron Horse Trail and runs along the Walnut Creek Channel northward to connect with the Delta DeAnza Trail. The multi-use path is a ten foot wide paved hiking/bicycle trail.

The City of Concord has secured Transportation Development Act (TDA) funds to supplement the East Bay Regional Park District Proposition 116 grant and Transportation Enhancement Act (TEA) funds, in addition to Measure C funds. EBRPD is the lead agency for the project and is coordinating with Concord and the County.

Construction of the trail is complete except for undercrossings at Willow Pass Road and Diamond Boulevard

STATUS:

Construction of the undercrossing and pedestrian bridge at Concord Avenue was completed in 2001. Measure C partly funded the construction of the pedestrian bridge over the channel at Concord Avenue.
