Background

The City of Concord is requesting an appropriation of Measure J funds for the Ygnacio Valley Road Permanent Restoration - Phase 2 (New Project 24027) in the amount of \$500,000. This appropriation will be used for environmental clearance work and preliminary engineering.

The Measure J Strategic Plan (Amendment #1) provides \$3.5 million for the completion of the Ygnacio Valley Road Permanent Restoration – Phase 2. The restoration work primarily consists of constructing a pier wall with tieback system (protective feature) and repair of the damaged roadway. Phase 1 of this project, which is partially funded with Measure C funds, is scheduled to begin construction this summer. The City of Concord proposes to implement phase 2 in 2009 as the final phase of the permanent

restoration work. Due to the risk of the landslide recurring, it is important to implement this final phase project in a timely manner to ensure uninterrupted use of Ygnacio Valley Road.
