

# I-680/BURNETT AVENUE NORTHBOUND ON/OFF-RAMPS

**PROPONENT:  
CONCORD**

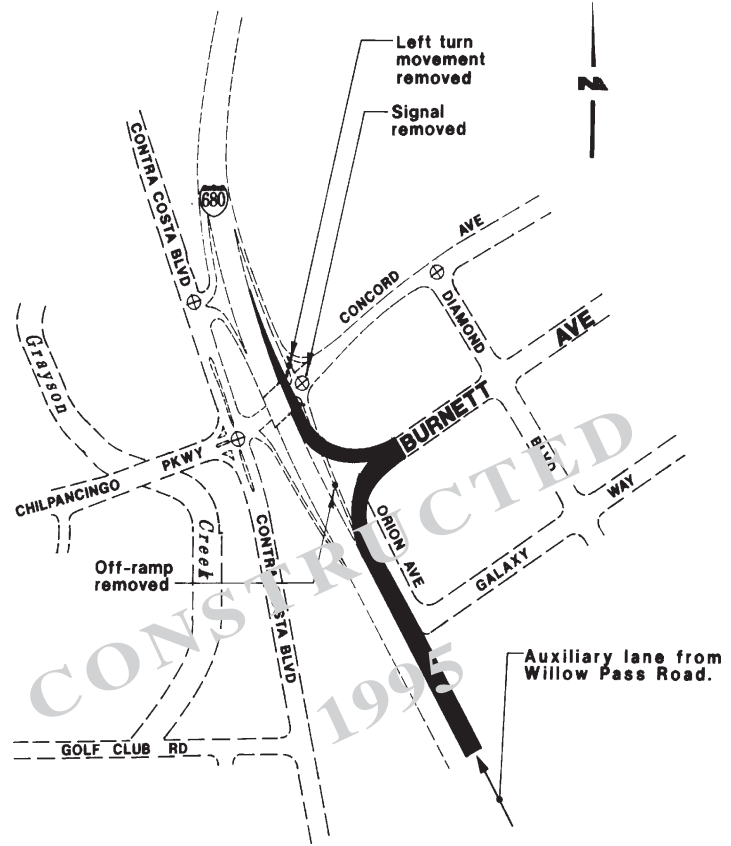

**PROJECT NO:  
1101**

**DESCRIPTION:**

This project provided new northbound on/off-ramps from I-680 to Burnett Avenue, a northbound auxiliary lane from Willow Pass Road, and removed the existing northbound off-ramp at Concord Avenue. It required the widening of the existing I-680 structure over Concord Avenue and the modification of existing signals on Concord Avenue east of I-680.

**STATUS:**

Construction completed in 1995.
