

BUSKIRK AVENUE IMPROVEMENTS

**PROPONENT:
PLEASANT HILL**

**PROJECT NO:
1218**

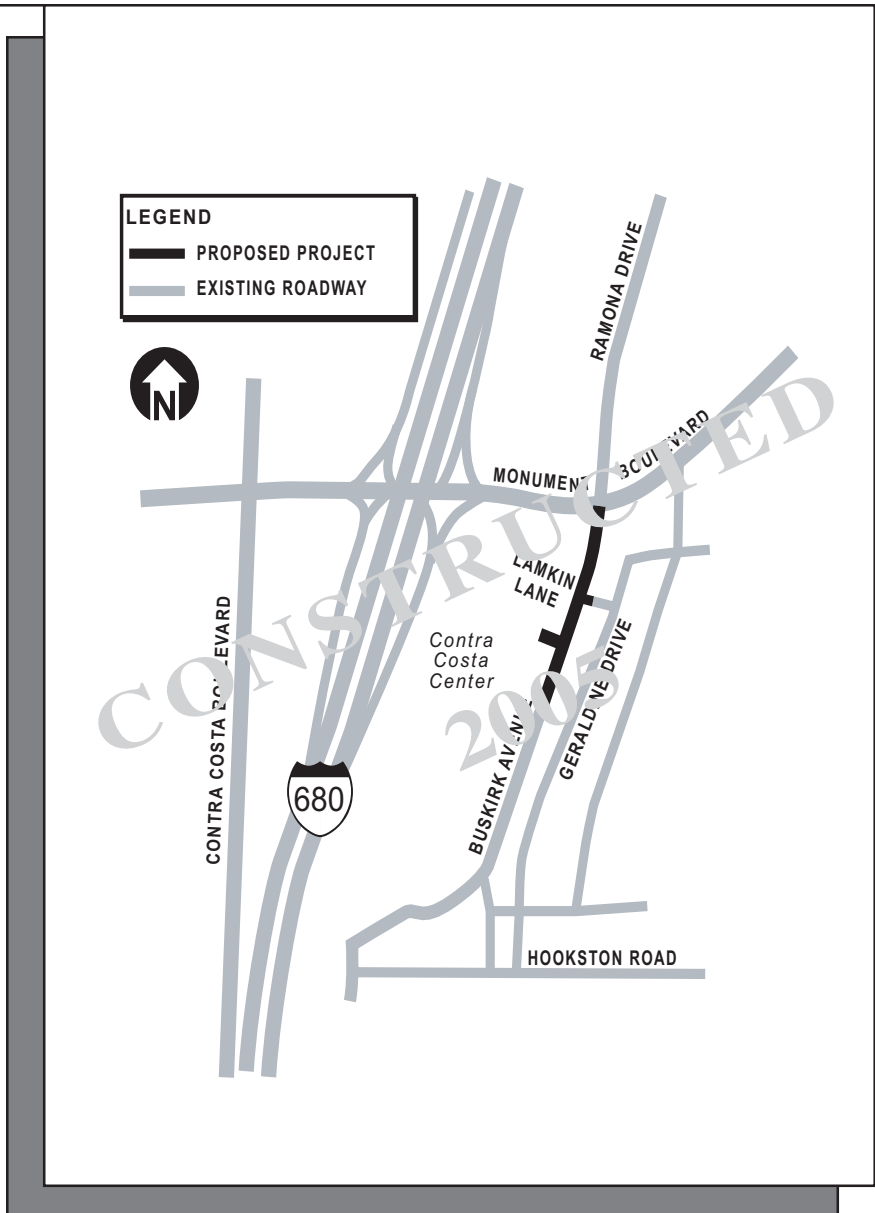

DESCRIPTION:

The Buskirk Avenue Improvement project includes a series of improvements aimed at reducing backups and congestion on Monument Boulevard and Buskirk Avenue. The improvements include:

- a. Eliminating the left turn lane into Lamkin Lane from southbound Buskirk Avenue.
- b. Constructing a main driveway on Buskirk Avenue and installing a traffic signal at the Contra Costa shopping center to allow for left turns in and out.
- c. Widening Buskirk Avenue to 2 lanes in each direction between Monument Boulevard and the new driveway access to the Contra Costa shopping center.
- d. Adding a right turn lane on Buskirk Avenue southbound direction at the new driveway access to the Contra Costa Shopping Center.

STATUS:

Construction completed in 2005.
