

**CONTRA COSTA BOULEVARD
SIGNAL COORDINATION**

FUNDING SOURCES	(\$ X 1000):
Measure C (Esc.\$) ¹	<u>125.8</u>
TOTAL	\$125.8

**PROPONENT:
CITY OF PLEASANT HILL**

**PROJECT NO:
1221**

¹ Measure C funds shown in escalated dollars. Actual commitment is in 1988 dollars as shown in Appendix A.

DESCRIPTION:

The project will synchronize the traffic signals along Contra Costa Boulevard in the City of Pleasant Hill between I-680-off-ramp (near Pleasant Hill/Martinez city limits) and Oak Park Boulevard. The project scope includes the purchase of Advanced Traffic Management System, as well as the installation of additional signal interconnect and/or radio modems for the existing signals that are not part of the interconnect network.

STATUS:

Construction was completed in 2009.
