

ST. MARY'S ROAD - PHASE II

FUNDING SOURCES (\$ X 1000):

**PROPONENT:
LAFAYETTE**

Measure C (Esc.\$)¹ 996.8

TOTAL \$ 996.8

**PROJECT NO:
1621**

¹ Measure C funds shown in escalated dollars. Actual commitment is in 1988 dollars as shown in Appendix A.

DESCRIPTION:

This project completed unfinished improvements planned in the original Measure C project (1711). The project stabilized roadway embankments at various locations, and re-configured two intersections that provide turn lanes and correct adverse horizontal alignments. Other improvements included shoulder work, minor drainage, and a walkway gap closure on Glenside Drive between Reliez Station Road and the Lafayette Moraga Regional Trail.

STATUS:

Construction completed in 1999.
