

SAN RAMON INTERMODAL TRANSIT FACILITY

PROPONENT:
SAN RAMON

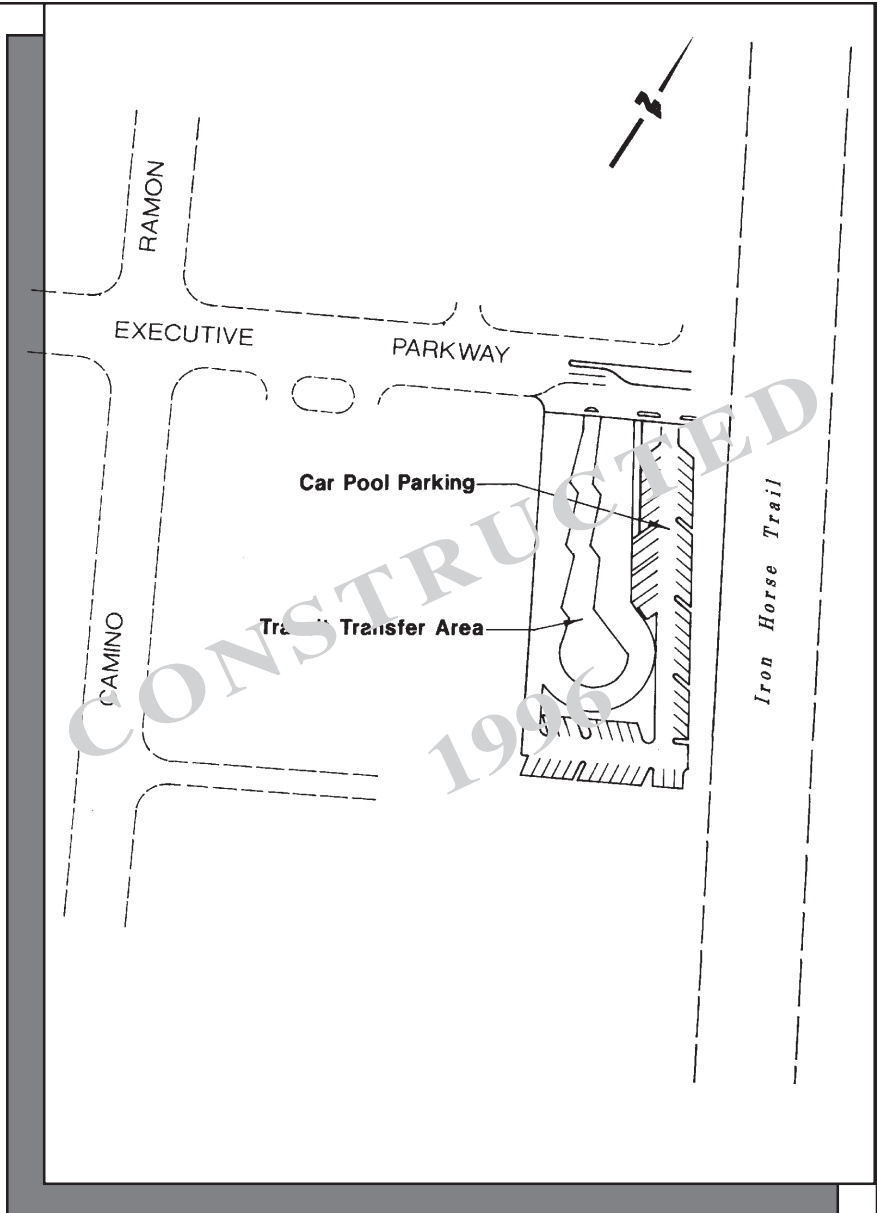

PROJECT NO:
2209PR/2209

DESCRIPTION:

The Intermodal Transit Facility provided approximately 54 parking spaces, and an all weather public transit hub which accommodates 7 transit vehicles. The facility is located at Camino Ramon/ Executive Parkway in Bishop Ranch. The intent of the facility is to provide a transfer point for buses and carpools in order to reduce the number of single occupant vehicles on the road.

STATUS:

Construction completed in 1996.
