

## DELTA DE ANZA TRAIL

**PROPONENT:**  
**EAST BAY REGIONAL PARK DISTRICT (EBRPD)**

**PROJECT NO:**  
**3108**

### DESCRIPTION:

The Delta De Anza Trail connects central and eastern Contra Costa County. The trail has nine sections, and is the result of a coordinated effort of the East Bay Regional Park District, the County, and the cities of Pittsburg and Antioch. It will provide access to a number of community, commercial, and recreational facilities, as well as the Bay Point BART station. Measure C funds were going to be used to install traffic signals at the Delta De Anza Trail crossings with Neroly Road and Cypress Road. However, due to the required coordination with the Laurel Road extension, Measure C funds were reprogrammed to the Big Break Regional Trail project (Project 3112).

### STATUS:

The project will be completed with other fund sources after the construction of the Laurel Road extension.
