Land Purchase for Development of Future Bus Storage Facility (cont.)

Need/Purpose

WestCAT’s current storage capacity is at capacity. If expansion of service and the purchase of additional vehicles occur, additional storage will be required. Security at the site will need to be maintained so additional fencing will be required when expanding the facility.

Possible Segmentation

WestCAT will purchase the land and seek additional funding before developing the site for storage use.

Issues

None.

Current Status

WestCAT has identified a parcel of land adjacent to the current site and is seeking funding to purchase the land from the current owner. Additional funding will be sought for the development of the site.
