Federal Earmark (SAFETEA-LU)	0.5
Local	6.0
American Recovery and Reinvestment Act (ARRA)	11.0

¹Measure J funds shown in escalated dollars. Actual commitment is in 2004 dollars as shown in Appendix A.

Vasco Road Safety Improvements Project (cont.)

Need/Purpose

The proposed project alleviates congestion by providing a consistent cross section with a passing lane in the southbound direction and eliminates the need for a merge. The project also improves safety with the installation of a solid median barrier to prevent cross median collisions.

Possible Segmentation

N/A

Issues

None.

Current Status

The project is scheduled to be advertised in November 2009, and will begin construction in April 2010.
