Major Arterial

Bike/Pedestrian

Other

Project Scope

Close the High Occupancy Vehicle (HOV) lane gap along Interstate 680 between North Main Street and Livorna Road in the southbound direction.

Funding Sources (\$ in million)

Total	80.0
Measure J Transportation Sales Tax	38.5
Regional Measure 2 (RM2)	14.0
TBD	27.5

Interstate 680 Southbound Carpool Lane Gap Closure (cont.)

Need/Purpose

Project provides a continuous HOV lane on I-680 in the southbound direction between the Martinez-Benicia Bridge and the Contra Costa/Alameda County line. Project is needed to encourage carpooling and provide the necessary infrastructure for Express Buses in the corridor.

Possible Segmentation

N/A

Issues

Right-of-way acquisition and utility relocations will be needed to accommodate the project. The project has substantial funding shortfall.

Current Status

A Project Study Report (PSR) was completed for the I-680 HOV gap closure in the southbound direction in May 2009. The environmental clearance process will start in early 2011.
