

BUSKIRK AVENUE IMPROVEMENTS

**PROPONENT:
PLEASANT HILL**

**PROJECT NO:
1218**

DESCRIPTION:

The Buskirk Avenue Improvement project includes a series of improvements aimed at reducing backups and congestion on Monument Boulevard and Buskirk Avenue. The improvements include:

- a. Providing a free right turn lane at all times, except when a pedestrian has activated a push button, from eastbound Monument Boulevard to southbound Buskirk Avenue.
- b. Eliminating the left turn lane into Lamkin Lane from southbound Buskirk Avenue.
- c. Constructing a main driveway on Buskirk Avenue and installing a traffic signal at the Contra Costa shopping center to allow for left turns in and out.
- d. Widening Buskirk Avenue to 2 lanes in each direction between Monument Boulevard and the new driveway access to the Contra Costa shopping center.
- e. Adding a right turn lane on Buskirk Avenue southbound direction at the new driveway access to the Contra Costa shopping center.

STATUS:

Construction started in April 2005.
