

RICHMOND PARKWAY

**PROPONENT:
RICHMOND**

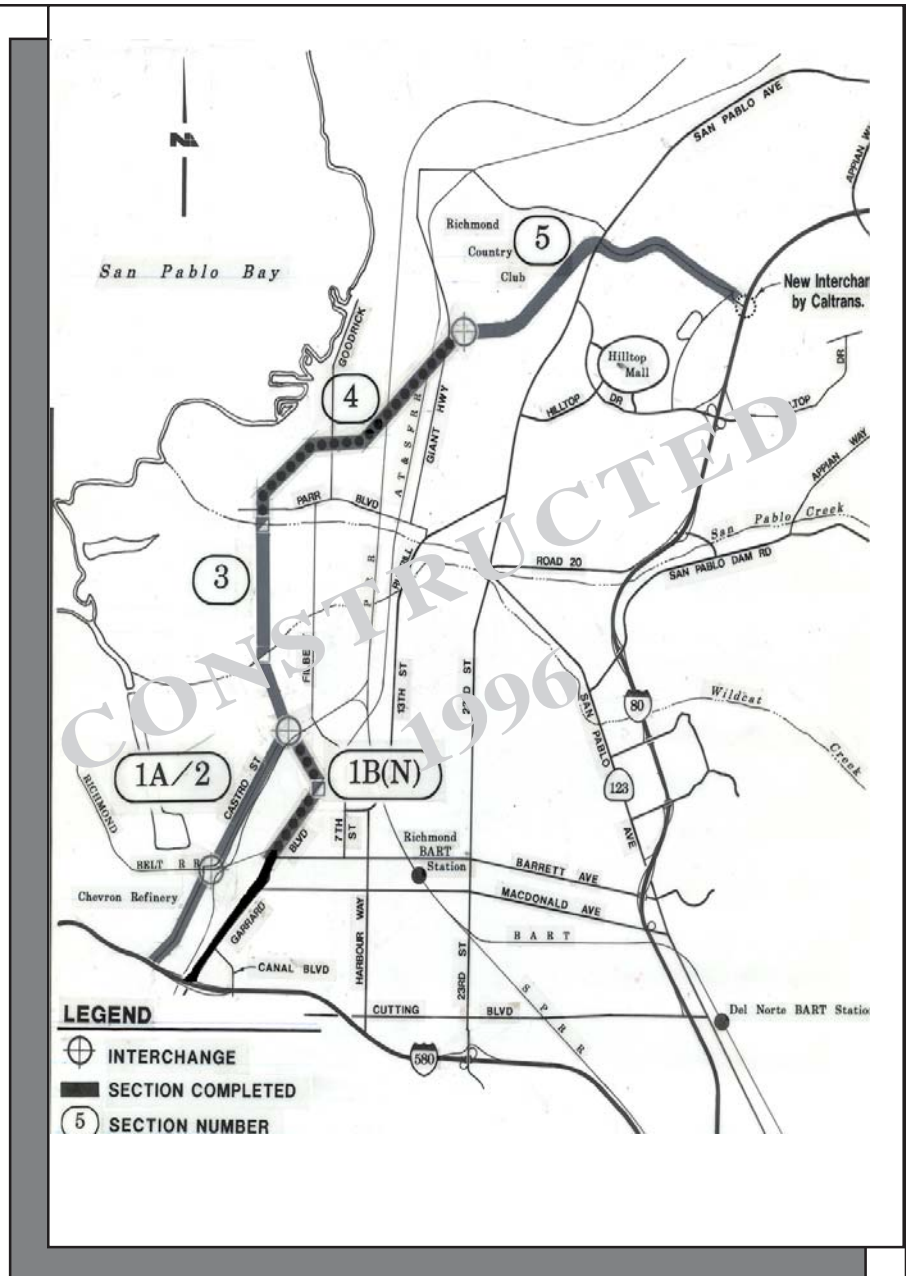

**PROJECT NO:
1300**

DESCRIPTION:

The Richmond Parkway Project is a four to six-lane, limited access arterial approximately 7.3 miles in length, linking I-80 near Hilltop Drive to Interstate 580 at two interchanges (Castro Street and Canal Boulevard) near the Richmond-San Rafael Bridge. The project has a landscaped center median and controlled access at 16 signalized intersections and six interchanges.

STATUS:

Construction completed in 1996.
