

Electronic Bicycle Facilities at West Contra Costa BART Stations

PROJECT # 10002 – 03

The project goal is to increase bicycling to transit by providing convenient, secure bicycle parking throughout the BART service area. The directives of the BART Strategic Plan call for a shift away from parked single occupant vehicles to other modes of access.

Did You Know?

BART estimates ridership in 2016 will average 430,000 trips on weekdays and 129 million trips annually.

Scope

Install 92 secure bicycle parking spaces at the El Cerrito del Norte, El Cerrito Plaza, and Richmond BART stations. Design bicycle parking area to include signage and other enhancements to create an inviting and functional facility.

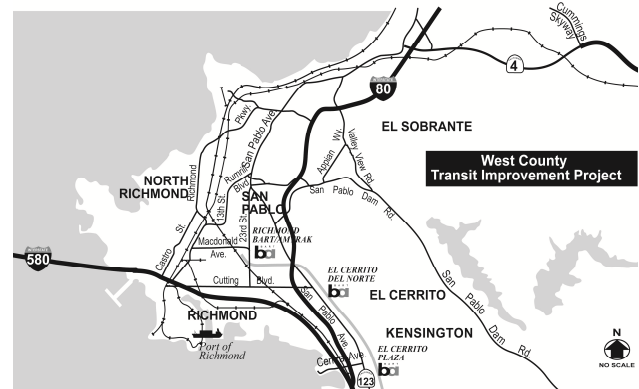

Status

- To date, a total of 80 spaces have been installed at El Cerrito Plaza, El Cerrito del Norte, and Richmond stations.
- BART staff plans to use the remaining funds to add more spaces at the El Cerrito del Norte station and possibly at the Richmond station, based on demand.

Issues/Areas of Concern

- None.
